

Losing Jay

During these difficult days of sorrow and pain many people have communicated messages of sympathy and support through e-mails and text messages. We thought we would share some of these messages with you. Although we would have preferred to publish them all, the limits of time and space have prevented it. Please know that all were equally important. Please accept our appreciation to all who've reached out with your prayers, calls, visitation, e-mails, cards, flowers and memorial gifts. May God Bless You All....

I hope you are ok. If you need anything at all, call me or stop by my house. I LOVE YOU. *Kyle Senger – Cleveland, OH*

I was shocked and saddened to learn of Jay's death. I have known Jay for nine years. I "met" him through a mutual friend, Chuck. I have never met Jay in person; however, we bonded through our telephone "talks" and through our love for each other. Jay was always interested in what I was doing and in how I was getting along. I share your loss. May God bless you and your family in this time of sorrow, and may the love of your friends help to sustain you in the difficult days ahead. You are in my thoughts and prayers and heart. May you find comfort in the knowledge that Jay loved his family and his friends dearly.
